Staff fosters a warm and caring environment, where each child is free to express themselves, learn new preschool skills, and simply have fun! Students are taught basic social and emotional development, language, communication skills, pre-reading, and cognitive processing skills. We also offer special activity days, both on- and off-site.

Proof of age is required for final acceptance of registration. Children must be fully potty trained—this program is designed for children who are completely responsible for their own toileting needs without diapers, Pull-ups, or disposable underwear of any kind.

This is a parent participation preschool program where parents are encouraged to assist in the classroom a minimum number of times as follows, depending on class selection:

Tuesday/Thursday, two days per week students:

Parents are encouraged to volunteer a minimum of 2 times per session.

Monday/Wednesday/Friday, three days per week students:

Parents are encouraged to volunteer a minimum of 4 times per session.

All registered students will be assessed non-participation fees at the time of registration. If a parent elects to work during a session, and is able to fulfill their minimum parent participation requirement, previously assessed non-participation fees will be rolled over towards future preschool session non-participation fees. Non-participation fees will not be refunded during a session, however, they may be refunded upon termination, or the end of the school year.

Quick Start Tennis

Quick Start Tennis works by getting children involved in the game immediately. Specially designed portable net systems and color-coded balls created by the USTA (United States Tennis Association) have revolutionized the game for beginning players. Within the first hour of stepping onto the court, children are playing the game, rallying with one another, moving around the court, and having fun. Scaling the game and court down to their size helps make the learning process easier and more fun. These classes give children confidence by seeing their own immediate progress, making them more enthusiastic about continuing to play and improve. Instructor/student ratio for Regular Groups is 1:6, and 1:3 for Small Groups.
